GOD DAMN GOVERNMENT  
PADLOCKS!

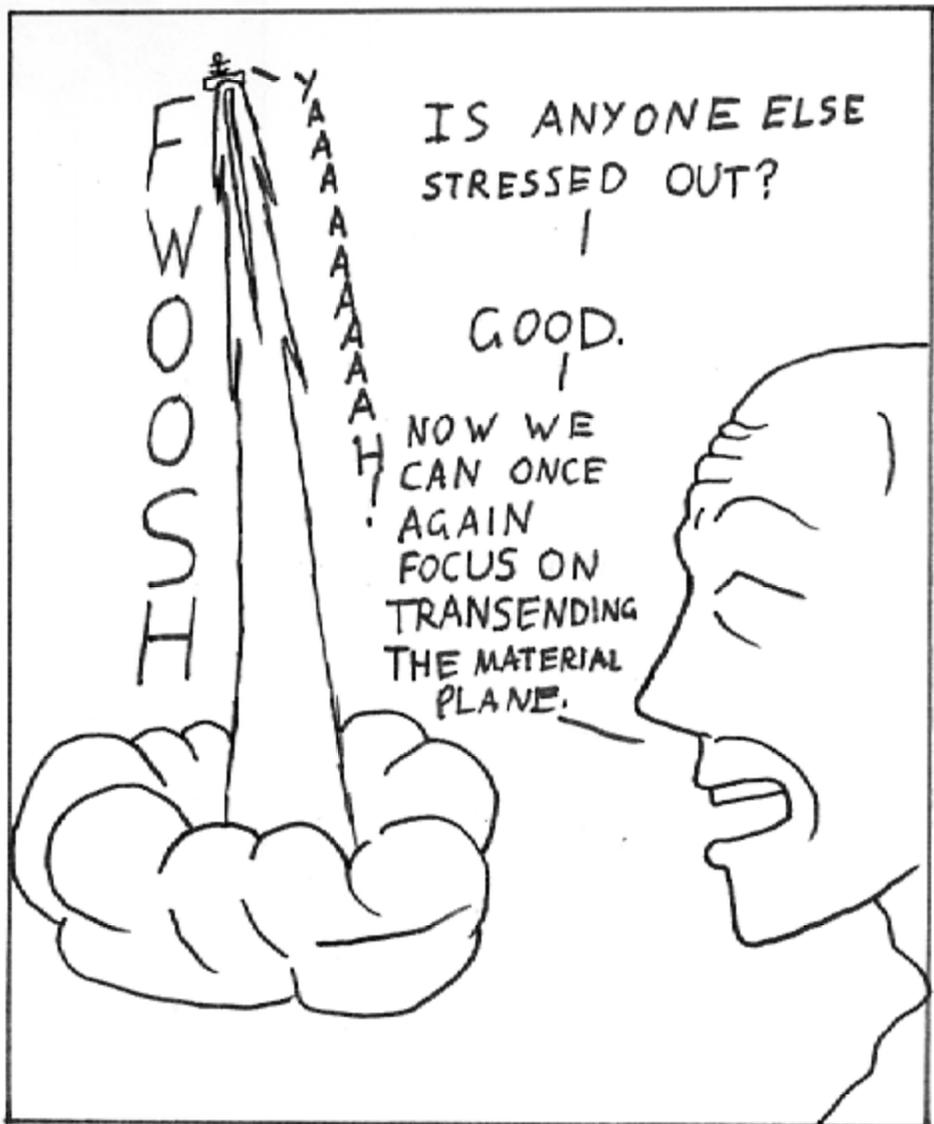

Have you been in  
those mushroom  
again private!?!?

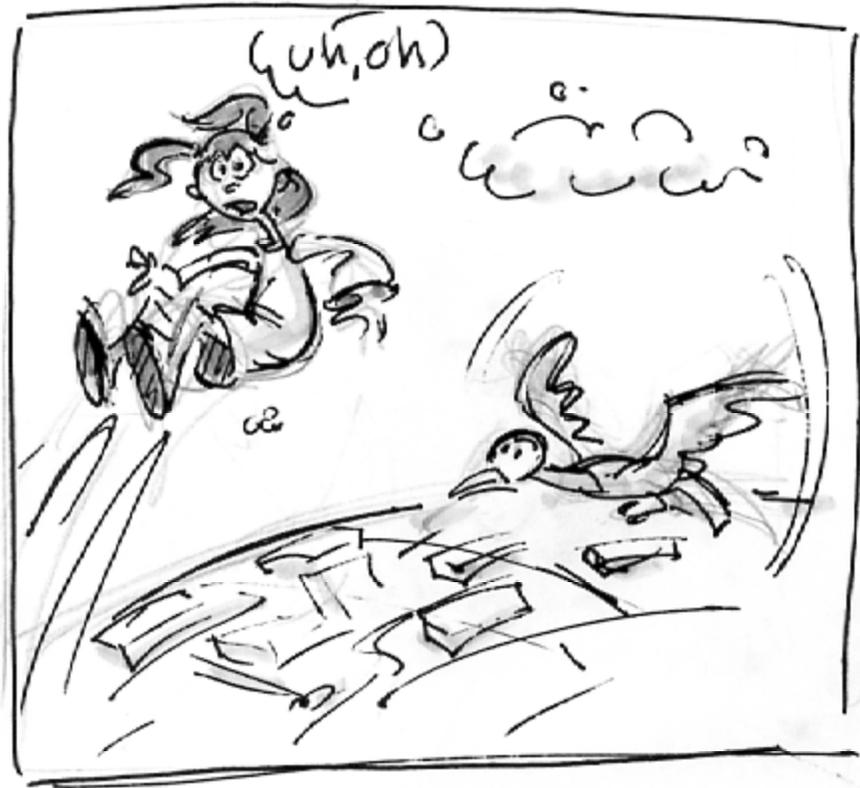

You maggots will find inner peace. You will cleanse your shakras so that the virgin Mary herself would be proud to eat off them. If you fail to do so I will personally stomp your ass back up your mothers snatch so you can be reborn as a lesser piece of shit. Some of you think you're good enough to be in my shaman's corpse, some of you can go suck a dick. I have been given the sorry task of turning you in to shamans. When I am done, you will piss in lightenment and shit clarity of mind.
