

Waiting for Happiness

Daddy, why are you
a giant pulsating
MONSTER HEART?

Is it 'cause you lost
a bet to a MAD SCIENCE
MAN? How should
I feel about you
as I get old enough
for therapy?

— WELL, I've always been this way my daughter. I didn't ask for my pumping overpoweringly emotional state or its literal interpretation by some awful unseen force of nature.

— So do you feel bad?

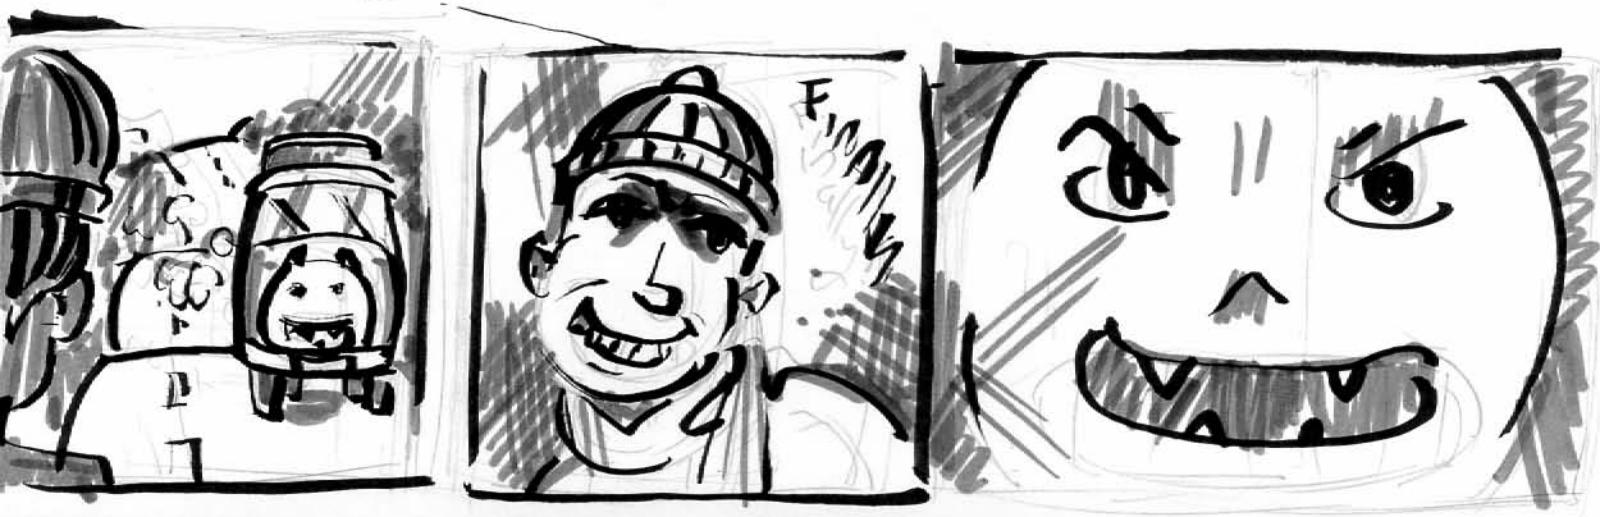

— YEEHHSSSS!
uh, sorry, em, what
I mean is ask me
about a different feeling.

— Do you feel happy?

— YEEHHSSSS.
see? Get it?

— No.
