

The St. Paul Cartoonist Conspiracy Presents:

MEDITATIVE

Feb. 16
2017

DEATH CHANTS

WITH DIANE.

Just. Relax.
Into the Comfort
of the Void.

Flash back

I KNEW
DIANE
back
when...

A Clinical
Psychologist

... BEFORE THE
MEDITATING ...

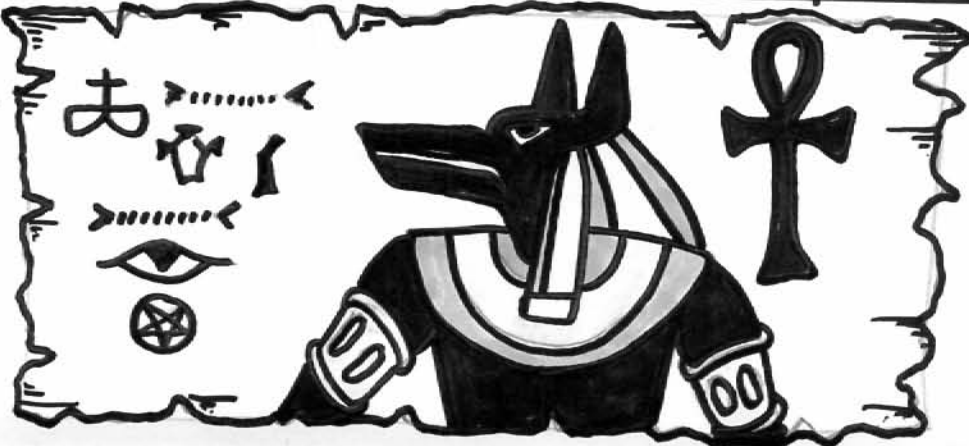

Wooo!

SHE BRIEFLY
TREAD THE
STRAIGHT
AND
NARROW...

"But when she
discovered an ancient
egyptian scroll on
the dark side of
the moon...."

KID DIE! R!

I'M STARTING TO
LOSE CONTROL ...

The worst part of meditative death chants however is the final step after attaining enlightenment.

I understand it all now!
Trump... The Kochs... Small dogs!

She will be missed.

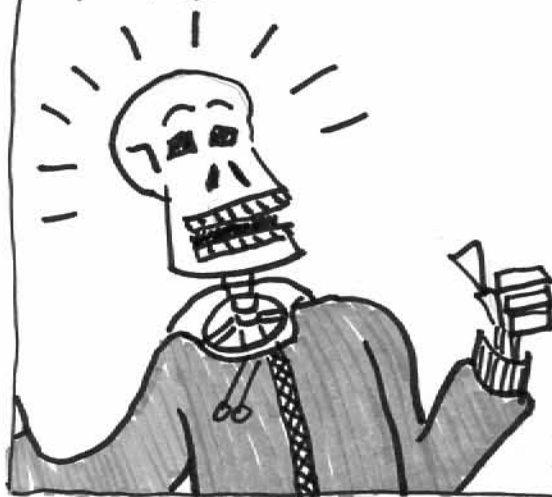

The ASHRAM WAS devistated

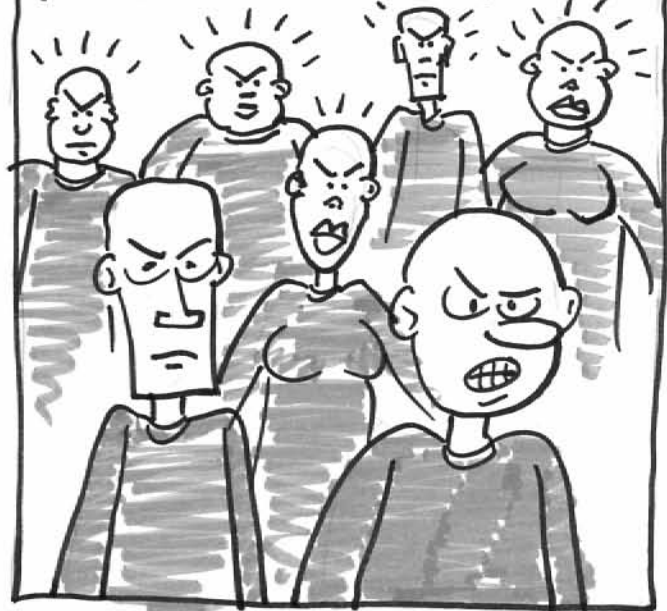

LOOKS LIKE A WIN-WIN TO ME---

GURGLE...

WHAT DID YOU SAY?!

BLASPHEMER!

The end
