WAIT FOR IT...

Paintings of
RADISHES that look
Like BUTTS!

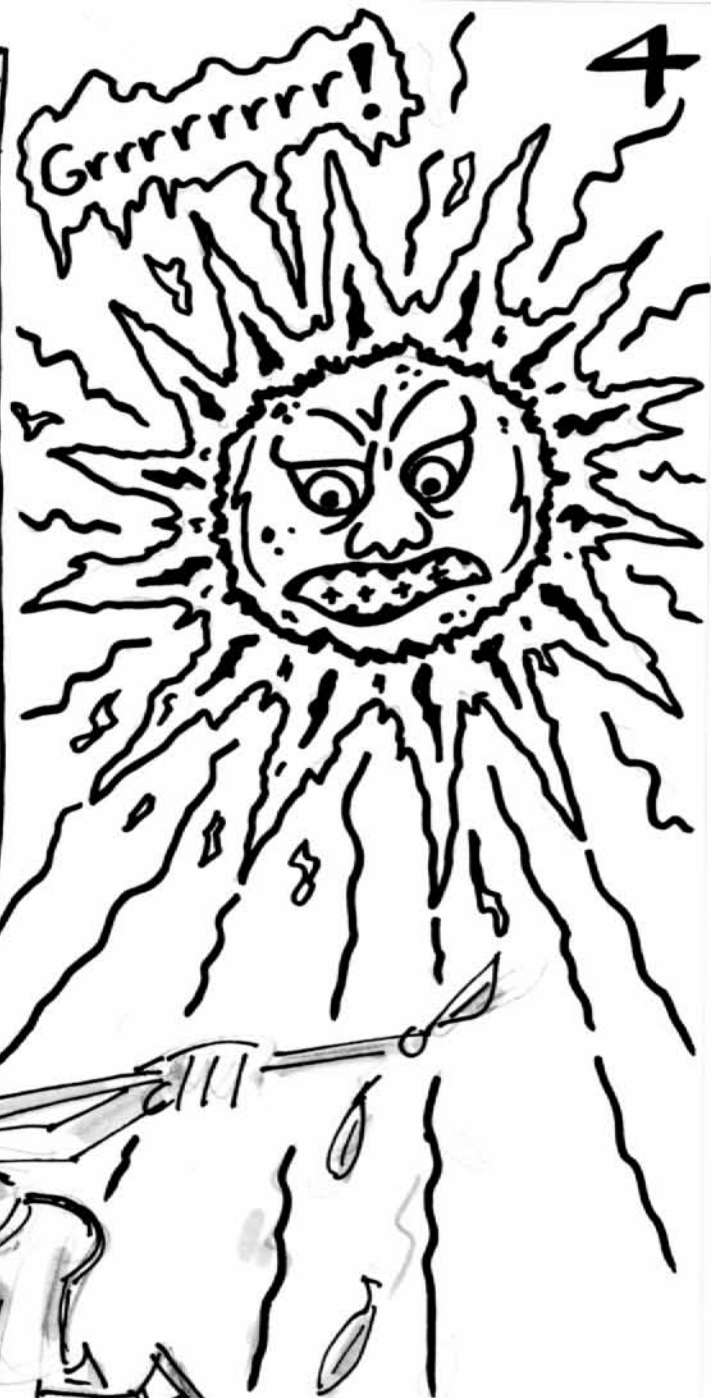

GRAVITY is
A Myth

**And here
to explain
is our expert
Flat earth h
Roy...**

Okay..Uh.. So..theres no such thing as gravity because of the sun's deadly Googlyoony rays which are weakened by our ozone layer. These weakened rays push down on the flat surface of the earth holding us down and keeping the planet balanced so it wont flip like a giant cosmic coin. This foil hat counteracts those rays, so my brain waves are not compressed...

this will
make me rich

HEY, "DUDE"!
HOW WOULD YOU
LIKE TO "SHRED"
WITH MY
"ROCKET-SKATES"?
